ORDER

(Issued June 11, 1999)

This matter is before the Commission upon the tariff filing of All West Communications (All West) for authority to remove its Billing and Collection Service Rates from its tariffs.

The Commission having reviewed the tariff filing, applicable Wyoming telecommunications law, its files regarding All West, and being fully advised in the premises, FINDS and CONCLUDES:

1. All West is a telecommunications company as defined by W.S. § 37-15-103(a)(xi) and, as such, subject to the Commission's jurisdiction pursuant to the provisions of W.S. § 37-15-401.
2. All West proposes to revise its tariffs on file with the Commission by removing the Billing and Collection Service rate provisions contained in its tariffs. In support of its filing, All West states that the removal of those provisions relating to Billing and Collection Services is appropriate as these services have been deregulated pursuant to the provisions contained in W.S. § 37-15-104.
3. The Commission finds and concludes based upon its review of W.S. § 37-15-104, that Billing and Collection Services have been deregulated under Wyoming law, and that it is appropriate and reasonable to remove these services and rates from All West's tariffs.

IT IS THEREFORE ORDERED THAT:

1. Pursuant to open meeting action taken on June 10, 1999, the tariff filing of All West Communications for authority to revise its tariffs by removing its Billing and Collection Service Rates from its tariffs is hereby approved, effective June 15, 1999.
2. This Order is effective immediately.

MADE and ENTERED at Cheyenne, Wyoming this 11th day of June, 1999.
